

- it's never too late  
- 2019

# Dance BALLET

ballet is another way to dream

- take every correction as a gift

# passion & determination and focus

Work in progress.  
Far away from perfection. I wash my mouth every single day. The pain I feel today will be the strength I feel tomorrow.

You must push yourself and learn more on your own. That is what finally drive me to try rise above my own limitations.

In touch with one of the most wonderful forms of art in the world. Ballet & Contemporary Dance. It's my lung, my way, my challenge. I practise, I fall down, but I never give up. I'm blessed. Because I have the opportunity to dance.

WHITE SWAN

My fate gave me a kiss when  
I found this way to myself.  
Ballet changes my life. My  
body - my instrument. An  
attempt to dive into it and  
get the best out of it.

# Ballet DANCE

to stay always in movement
